Why i should get this job is it is something i'm very good at doing and i'm a very good artest and i feel like i can be a  
icon of this job and make us lots of lots money on my porjerts and put the bessines on the map im very blessed to  
Have shair this with you sir very i pray i get the job and do what i love and put my work all around the world and i want  
people to love my work and want it sir thanks for your time and have a blessed day.
